Delicious homemade bean soup will be provided as carryout orders for minimum donation of \$4.00/quart container. Large orders of 10 + containers should be preorder for your ***Souper*** Bowl event. Soup freezes well so get up several quarts for a cold winter day.

All proceeds will go for the Clermont County Chapter of TriState Habitat for Humanity Building Funds for affordable housing in 2010. Each year for the past 19 years this soup sale has help buy windows or doors for a Habitat house. To date, Clermont County Chapter has built 37 Habitat homes and rehabbed 13 other houses. In January 2009 Clermont Habitat’s first family paid off their mortgage. This was a family of a single mother and two children that were homeless, living in a garage in Milford in 1990. – ***Habitat not only builds homes but builds lives and community – one family at a time –***
