COLE SCHLESNER, 14, was seriously injured while pitching for his Cincinnati STIX baseball team. Cole suffered a traumatic brain injury as a result of this accident. Cole's competitive spirit and determination will help him persevere through this neurological challenge.

Funds raised through the Play for 4 Golf Event will provide financial assistance for Cole and his family to off-set medical expenses both in and out of the hospital, therapy expenses, and costs related to bringing Cole home and ensuring that he has the equipment and care needed to successfully recover.

**PLEASE HELP US IN COLE'S JOURNEY TO
RECOVERY BY SUPPORTING THE
2009 PLAY FOR 4 GOLF EVENT.**

Cole on his first walk May 10th, 2009 just three weeks after being air-cared to Cincinnati Children's Hospital for life-saving surgery
