## THINGS YOU NEED TO KNOW ABOUT RECYCLING AND WASTE DISPOSAL IN CLERMONT COUNTY

We take great pride in the programs we have that emphasize a good quality of life, a solid respect for our environment, and a daily commitment to do the right things to protect our families today and the generations to follow.

This **Recycling Guide** provides you and your family with all the great information that will help you reach the right decision daily on how to safely dispose of such items as used tires, oil, antifreeze, batteries, paint, computers, wireless telephones, fire extinguishers, propane tanks, and more

If you can't find a disposal solution that fits your needs in this Guide, please call the **Clermont County Office of Environmental Quality** for assistance:  
**(513) 732-7894**  
or visit [www.oeq.net](http://www.oeq.net)

Thanks for your help in protecting our environment and the quality of life in Clermont County.

If you or members of your family would like to volunteer to help keep Clermont County clean and green, call **Clermont 20/20 Clean and Green Coordinator** at:

### **DISPOSAL OF CANS OF PAINTS**

Paint can be dried by mixing with cat litter, sawdust or newspaper clippings and set out on the curb with the lids removed for your waste hauler to collect.

Cans of paint can also be taken to **Environmental Enterprises, Inc. (EEI)**, 4650 Spring Grove Ave. in Cincinnati, Ohio. EEI will charge a nominal fee for this service. Any questions, call EEI directly at (513) 541-1823.

**Building Value** (2901 Gilbert Ave, Cincinnati) may pick-up unused or large quantities of paint to resell for use in urban beautification projects. Call for details at (513) 475-6783.

### **DISPOSAL OF OLD APPLIANCES**

With the exception of television sets and microwave ovens that Clermont County CANNOT accept, you can drop off your old household appliances including washing machines, dryers, stoves, ranges, freezers, air conditioners, refrigerators, and water heaters at the **Clermont County Engineer's Office**, located off State Route 222 on Filager Road, next to the Sheriff's Office. There is a \$20 disposal fee. No pick-up service is available. Any questions, call the Clermont County Engineer's office at (513) 732-8857 or Facilities Management Department at (513) 732-8850.

**YARD WASTE DISPOSAL OPTIONS**

Some cities/villages will allow you to place grass clippings, branches, and leaves along the curb for later pick-up. Milford residents can leave brush on the curb to be picked up Wednesdays from April-October. Amelia residents can leave bundles of branches less than 30 lbs and less than 4" in diameter at the curb for pick-up except during winter months. Batavia residents can leave bundles at the curb for pick-up the first week of every month except winter months. Williamsburg operates a compost facility, call 724-6107 for more details. You can also take your yard waste to Evans Landscaping (271-1119) or Bzak Landscaping (831-0907) for a fee (residents of Miami and Union Twp free at Bzak). Composting is always an environmentally friendly option, or you can call your waste hauler to collect your yard waste. For more information, visit the Office of Environmental Quality's web site, www.oeq.net, or call the at (513) 732-7894.

**COMPOSTING**

To view a variety of home composting bins, visit the Cincinnati Nature Center. For more information on composting, call Clermont 20/20 Clean and Green at (513) 753-9222.

**REPORTING TRASH ALONG ROADS**

If you notice sites that need to be cleaned please e-mail [tbrown@clermont.oh.us](mailto:tbrown@clermont.oh.us) or call (513) 732-8126 and advise the type and amount of litter and if the location is on a curvy or hilly stretch of road.

If the litter consists of larger items such as refrigerators, water heaters, etc., and are located along a county road within the right-of-way, call the Clermont County Engineer's office at (513) 732-8857. For items alongside township roads, call the appropriate Township Trustees office. If the items are located along interstate and state roads such as Route 32, contact the Ohio Department of Transportation at (513) 797-6008.

**REPORTING AN ILLEGAL DUMP**

If you are witnessing an illegal dumping in progress, please contact 911. If you suspect the illegally dumped material is hazardous, contact the Ohio EPA's 24-hour Emergency Response Hotline at 1-800-282-9378. For non-hazardous material, contact the Clermont County General Health District at (513) 732-7499.

**DISPOSAL OF HOUSEHOLD HAZARDOUS WASTE**

Categories of material that may be considered "household hazardous waste" include automotive products, paints and solvents, pool chemicals, and hobby and craft materials. Disposal and recycling outlets for certain household hazardous waste materials are listed below. Guidelines for the disposal of paint are provided on Page 3 of this guide, the county may offer vouchers to cover the cost of disposal or recycling. County residents are encouraged to contact the Office of Environmental Quality at (513) 732-7894 to enquire about the voucher program. If the material in question is included in the voucher program, a voucher will be sent to the resident, who is then responsible for taking the voucher and the material to the facility identified on the voucher.

Commercial or industrial firms interested in the disposal of hazardous wastes may contract directly with hazardous waste disposal firms. Two such firms are identified below:

**Environmental Enterprises, Inc.**

4650 Spring Grove Avenue, Cincinnati, Ohio 45232
